

Landcare Association of South Australia Inc.

Member Value Proposition

Join the Landcare Community!

About Us

The Landcare Association of SA Inc. (LASA) is the peak advocacy and representative body for Landcare in South Australia.

We are a non-government and not-for-profit organisation that supports and advocates for community Landcare. We liaise with government agencies to ensure that the expertise and enthusiasm of Landcarers is harnessed, respected and engaged in regional programmes. We also promote and seek funding opportunities and support for our members.

We represent South Australian Landcarers at a federal level through the National Landcare Network, and provide channels for national funding and support to grassroots Landcare in our state.

Our Role is to:

Assist in setting the future direction of community Landcare as a vehicle for Aboriginal people, volunteer community groups, individuals, land owners and managers to improve the health of our natural and working landscapes.

Why become a Member?

Becoming a LASA member will give you access to a range of benefits. You'll also help LASA be a much stronger voice when lobbying for funding and support for grassroots Landcare in SA.

Our Members

Our strength as the peak body for Landcare in South Australia relies on having a strong member base.

Our members are Landcarers from around South Australia who support, work in and/or advocate for sustainable land management, including in agriculture, revegetation, conservation and cultural practices.

Types of Membership

There are 3 categories of membership:

Group

For South Australian not-for-profit community groups that align with the objectives and ethic of LASA.

Individual

For individuals that align and/or support the objectives and ethic of LASA.

Associate

For organisations that align with the objectives and ethic of LASA and have an involvement and interest in the community services sector.
