SPONSORSHIP & TRADE DISPLAY PROSPECTUS

YOU ARE INVITED!

The Landcare Association of South Australia Inc. is proud to host the **2026 Landcare Conference in South Australia** – a major event bringing together leaders, volunteers, partners and innovators in sustainable land management.

We invite sponsors to partner with us to champion community Landcare and help deliver a flagship statewide event.

About the Landcare Association of South Australia Inc.

The Landcare Association of South Australia Inc. (LASA) is the state's peak body for Landcare in South Australia, representing and supporting the thousands of volunteers, landholders and community groups who care for our landscapes.

Established in 1999, LASA is an independent, not-for-profit organisation that provides grants, insurance, training and project support, while advocating for community Landcare at state and national level. As South Australia's member of the National Landcare Network, we help ensure federal and state investment reaches grassroots Landcare across the state

Guided by a volunteer Management Committee and supported by dedicated staff, LASA provides on-the-ground assistance—grants, insurance, training, workshops and project support.

Our Focus

Support volunteers, Aboriginal communities and land managers to improve natural and working landscapes.

Connect networks and share knowledge.

Advocate for community Landcare to government and industry.

Empower groups and individuals to take action in their landscapes.

The Landcare Association of South Australia Inc. acknowledges the Aboriginal and Torres Strait Islander peoples as the Traditional Owners of the lands and waters across Australia. We honour their deep and continuing connection to land, sea, and community, and pay our respects to Elders past and present. Landcare is strengthened when Indigenous knowledge, values, and leadership guide our collective efforts to heal and sustain our landscapes.
